## **JUNIOR & Senior KIT ORDER FORM**

As well as the competition vest which is a compulsory wear at meetings, the Club would like to encourage all Members to wear a K&P Club T-shirt and Sweatshirt/Hoodie for training or for officiating. Members can appreciate that the Kingsmeadow track is now an extremely popular facility for all training athletes in the Kingston area. By wearing the Club Kit it will help Coaches establish who belongs to the Club during training times, as well as allowing Members to have a team kit and therefore a sense of belonging to the Club. Officials will be identified as K&P Members at matches and thus advertise our Club. K&P is a non-profit making organisation with volunteer Coaches and for Members to purchase these kit items will help Club Funds. Please use this order form to place your order.
